

PTC Meeting notes

January 6, 2015

In attendance were: Ken Gilbert, Hedio Manske, Rebecca Bond, Catherine Dorn, Ryan Graham, Greg Roe, Brenda Shipley, Lise Grato.

Specific action items are in bold.

Ken will provide the web master with the updated information for PTC Officers, PTC Update link, meeting dates, and minutes.

It was recommended that we research the process whereby the District releases their tax ID number for donations. It is much more timely to include the number with the request letter, rather than with the thank you note.

It was noted that Spaghetti Feed revenues were down significantly over previous years. This is a result of the absence of the choir & choir families & the food costs associated with the wasted food--our attendance numbers were based upon choir attendance.

A motion was made by Greg Roe to cut a check to the Music department for \$250.31. This is 25% of the proceeds from the event. Motion was seconded by Catherine Dorn. Motion carried.

Spaghetti Feed Budget

PTC Revenue from Spaghetti Feed: \$2325.05

Less Cost of supplies -723.82

Less Specified donations -600.00

Proceeds of event 1001.23

25% to Music Dept \$250.31

Ryan Graham presented a thank you for our donation for \$1300.00 to take 16 kids Christmas shopping. Each child was given \$100.00 to spend on gifts for family. Approximately 60 gifts were purchased.

Ken will provide a list of currently scheduled fundraisers at the February meeting so that we may plan future events so as not to conflict with existing events.

McTeacher night was researched by Ken. Memorial will receive 20% of the total sales from 4:30-7:30pm on our sale date. We are to select three dates when we can have 8 adults available for 2 shifts--four from 4-6 and four from 5:30-7:30--to run the kitchen. McDonalds will choose the one that best fits their schedule. Attire for all participants is "casual Friday," No jeans or open toed shoes. Ken will select several dates that work for him & might possibly coincide with Memorial events & will forward these dates by e-mail to the PTC. We will narrow the field to 5 for which we are most available. These will then be presented to the teachers, who will reduce the list to the three required by McDonalds.

Leadership students will decorate the restaurant & promote a class competition of some sort--hopefully enticing kids to participate. Possible dates could include March 5th (West Fest,) and Feb 26 (Memorial's Winter Concert.)

Additional fundraising ideas:

Roadkill pancake fundraiser--amorphous shaped pancakes flipped & vended from the parking lot. .

Limeberry to create a Memorial exclusive sundae? Memorial after party events? Hedio will look into.

Dodgeball team marathon?

Home Depot scratch & dent partnership to benefit the Home Ec room? Can we partner with them, or another retailer to be the beneficiary of functional, but non-saleable merchandise?
